Dear Sir:

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing forty-seven (47) references, of which two (2) are enclosed/submitted.

Forty-six (46) of these references were cited on the face of U.S. Patent No. 4,748,669 ("the '669 patent"). By way of background, the '669 patent is owned by the applicant of the pending application. Thus, we want to ensure that all the references identified on the face of the '669 patent are made of record.

The remaining reference, U.S. Patent No. 4,893,342, has separately come to our attention.

Applicant respectfully requests the Examiner to consider the pending claims in connection with these references in order to make them of record. Also, this Information Disclosure Statement is being filed before receipt of a first office action after an RCE and no fee is required.

**Application No.:** 10/614,623  
**Filing Date:** July 7, 2003

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment, to Account No. 11-1410.

Respectfully submitted,
